

Product Information Sheet

Microfiber Wiper FLEXI, Replacement Cover & Telescopic Poles

Product Overview:

ROTWEISS offers the Microfiber Wiper FLEXI as a practical tool for cleaning hard-to-reach areas on boats, motorhomes, and households. The microfiber wiper is complemented by a replacement cover and an extendable telescopic pole for easy handling at heights.

General Product Features:

- **ROTWEISS Microfiber Wiper FLEXI:**
 - Flexible head adapts to various surfaces.
 - Detachable handle for combination with the aluminum telescopic pole.
 - Cover made from soft microfiber fabric.
 - Ideal for boats, motorhomes, and hard-to-reach areas.
- **ROTWEISS Replacement Cover for Microfiber Wiper:**
 - Soft microfiber fabric for gentle cleaning.
 - Velcro fastener ensures a secure fit.
 - Machine washable up to 60°C.
- **ROTWEISS Aluminum Telescopic Pole:**
 - Lightweight yet sturdy aluminum construction.
 - Extendable up to 1.80 m.
 - Available in two variants:
 - 2 x 90 cm
 - 3 x 60 cm

Product Benefits:

- Efficient and easy cleaning, even in hard-to-reach areas.
- Versatile applications on various surfaces.
- All products can be flexibly combined with one another.
- Microfiber reduces the risk of scratches on delicate surfaces.

Application Areas:

- Cleaning boats and motorhomes (e.g., hulls, alcoves, under solar panels).
- Vehicles, especially roofs and hard-to-reach areas.
- Household applications such as windows, ceiling beams, and high shelves.
- Workshop and professional cleaning tasks.

Care Instructions:

- **Wiper and Aluminum Telescopic Pole:**
 - Clean with clear water as needed or after use, then dry thoroughly.
 - In some cases, a simple wipe-down is sufficient after use.
- **Microfiber Cover:**
 - Machine washable up to 60°C.
 - Do not use fabric softeners to maintain microfiber properties.
 - Air drying is recommended.
