

## Product Information Sheet

# Polishing Sponges, Backing Plates, and Lambswool Pads

### Product Overview:

ROTWEISS polishing sponges and lambswool pads are high-quality tools specifically designed for professional vehicle and surface care. They enable efficient and gentle application of polishing agents, providing optimal results in surface treatment. The backing plates allow the attachment of polishing sponges and lambswool pads to the machine.

### General Product Features:

- **Polishing Sponges:**
  - Material: High-quality dense and reticulated (open-cell) foam in various hardness levels. With a recessed Velcro back adapted to the backing plates.
  - Application: Ideal for polishing and applying care products.
  - Benefits: Durable, reusable, and gentle on sensitive surfaces.
- **Hand polishing sponge and application puck**
  - Material: High-quality dense foam.
  - Application: Ideal for the manual application of polishing, cleaning and sealing agents.
- **Lambswool Pads:**
  - Material: High-quality, dense lambswool.
  - Application: For the initial polishing process and quick removal of scratches and sanding marks.
  - Benefits: High cutting performance, ideal for use on heavily worked surfaces.
- **Backing Plates:**
  - Material: Robust plastic with foam rubber padding, foam padding, and Velcro attachment.
  - Application: For attaching polishing pads and sponges to polishers with M14 thread. Together with the ROTWEISS Adapter (8900), the backing plate can also be mounted on drills and cordless screwdrivers.
  - Benefits: Secure attachment, easy handling, and quick pad changes.

### Product Benefits:

- **Efficient Processing:** Designed for effective application of polishing agents.
- **Durable and Reusable:** High-quality materials ensure long service life and multiple uses.
- **Versatile Use:** Suitable for various polishing machines and surface types.

### Areas of Application:

- **Vehicle Care:** Polishing paint, removing scratches and holograms, applying care products.
- **Boat Care:** Treatment of fiberglass, gel coat, and painted surfaces.
- **Motorhome Care:** Care and polishing of large surfaces.
- **Workshop:** Professional treatment of hard surfaces.

## Product Information Sheet

# Polishing Sponges, Backing Plates, and Lambswool Pads

### Care Instructions:

- **Polishing sponges, hand polishing sponge and application puck:**
  - Rinse thoroughly with warm water after use to remove residues.
  - Wash if necessary during use to free the sponge from material removal, thereby improving polishing performance.
  - Allow to air dry, do not machine dry or wring out.
- **Lambswool Pads:**
  - Gently tap out or clean with a brush to remove polish residues.
  - Hand wash with mild detergent is recommended.
  - Allow to air dry, do not expose to direct heat or sunlight.
  - It is best to reattach the lambswool pad to the backing plate for drying to prevent the leather from shrinking.
- **Backing Plates:**
  - Wipe with a soft cloth to remove dust and dirt.
  - If necessary, clean the Velcro surface carefully with compressed air.

### Specific Product Variants:

Product Name	Height (mm)	Diameter (mm)	Hardness and Structure	Packaging Unit
ROTWEISS Polishing Sponge black - very fine - waffle	22.5	80, 135, 160, 190	Very fine, reticulated (open-cell), waffle	1 piece
ROTWEISS Polishing Sponge blue - fine - smooth	25	80, 135, 160, 190	Fine, reticulated (open-cell), smooth	1 piece
ROTWEISS Polishing Sponge yellow - medium - smooth	25	80, 135, 160, 190	Medium-fine, reticulated (open-cell), smooth	1 piece
ROTWEISS Polishing Sponge orange - hard - smooth	25	80, 135, 160, 190	Hard, reticulated (open-cell), smooth	1 piece
ROTWEISS Polishing Sponge red – heavy cut	25	140, 160	Hard, reticulated (open-cell), smooth	1 piece
ROTWEISS Polishing Sponge green - medium - waffle	25	135, 160	Medium-fine, reticulated (open-cell), waffle	1 piece
ROTWEISS Polishing Sponge orange - hard - waffle	25	160	Hard, reticulated (open-cell), waffle	1 piece
ROTWEISS Polishing Sponge white - medium	25	140, 160	Medium-hard, not reticulated (closed-cell), smooth	1 piece
ROTWEISS hand polishing sponge	40	120 x 90	Medium-fine	1 piece
ROTWEISS application puck	50	90	Fine and ergonomic	1 piece
ROTWEISS Lambswool Pad	22	77, 132, 155, 195	Real lambswool	1 piece
ROTWEISS Backing Plate	16	73	Foam rubber padding	1 piece
ROTWEISS Backing Plate	23	123, 147, 177	Foam rubber and foam padding	1 piece
